Masters Entry Information

To make life easy for the entries of our Masters competitors at the Northern Region Championships, Masters Entries will be collected in a separate event.

You will note when you navigate from the "PAM Database" through to "enter competitors for events" you will have the following choices:

- Northern Region Championships – Entries for U16, U19 and open competitors
- Northern Region Masters Championships – Entries for Master competitors.

The reason we have to take entries in this form is that Masters Competitors do not need be refreshed lifeguards to compete, only hold a Surf Lifeguard Award.

Entry Fees: \$30 per athlete

Eligibility of Masters Competitors:

To enter for the Masters Championships all Masters Competitors need to comply with the eligibility of competitor's criteria (a) – (f) outline below.

Without the following details your members will not be eligible to compete nor will they be able to be entered through the online entry system.

SLSNZ reserve the right to limit the number of competitors per event.

- All Masters Competitors must hold a Surf Lifeguard Award
- Current Members (i.e. must not be stored in the 'Last Season Members' or 'Historical Members' folder on the SLSNZ Database
- Must have the "Membership Form Received" by SLSNZ. (Indicated by a 'tick box' at the top of the individuals membership tab)
- Have a DOB recorded on the SLSNZ Database.
- Have a PRIMARY membership with the club they intend to compete for (membership status displayed in the 'Membership' tab of the individual in the Database)
- Team substitutes must be registered in some capacity in the event (see notes below) All competitors, including possible substitutes, are to have met all of the eligibility criteria outlined above by the close of entries

While Masters Competitors are not required to be "refreshed" surf lifeguards for the current season SLSNZ expects that both the club and the individual ensure that the competitor has a level of similar proficiency i.e. can swim 400 m in nine minutes.

Team Substitutes

As stated in (f) above all team substitutes must be registered in some capacity in the competition. This means that if an athlete is competing in any event for example the surf race they are registered for the event. In some instances clubs have to substitute members for their team events which can be problematic if the person who is the substitute is not competing in any other event. **Therefore any potential substitutes (who are not already competing) must be entered into event code 300 Substitutes.** This is to allow fairness to all by ensuring that all eligibility criteria are met.

Please make an effort to enter complete teams when you fill are entering your club.

Please Note:

The event code 300 does not have any cost attached to it.

Individual entries cannot be substituted for by another competitor; only team entries as outlined in the Surf Sport Competition Manual.

Age

Age group is determined by the competitor's age at midnight on 30th September 2011. For example, if you were 30 by the 30th of September 2011, you are eligible to compete in the Masters division.

For additional event information please see the NRC's Entry Circular.

As always if you have any questions or queries please do not hesitate to contact me on any of the means below. SLSNZ look forward to seeing you all at the event in February.
